

**THE CITY OF SAN DIEGO
PARK AND RECREATION DEPARTMENT
NORTH PARK MAINTENANCE ASSESSMENT DISTRICT
JUNE 12, 2017 STAFF REPORT**

Trees:

- The tree work ordered in previous month has been completed.

North Park Main Street:

- The Chinese Pistache trees not budding are a concern and are being monitored.
- A representative from West Coast Arborist will be inspecting the trees.

El Cajon Boulevard:

- The landscape contractor is making a thorough inspection for graffiti and stickers and is addressing accordingly.

Capital Projects:

- The contract has been approved to stain or seal the new concrete and concrete panels on University Avenue. This is currently in the City's Public Works Department and they're setting the schedule for the work.

Miscellaneous:

- The solar lights that were approved for repair are now working.

Respectfully submitted,

John Crago

Grounds Maintenance Manager
